## GREATER STRENGTH Fewer Spoonfuls

The value of bak-  
ing powder is based on its  
leavening strength. You  
can't judge it by the size  
of the can—only the amount  
you get for your money. You  
must estimate the amount  
of baking powder in each  
can and the resulting effect.

## CALUMET

is the greatest value ever  
offered in Baking Powder—it  
has greater raising "force"—it  
goes farther than many of the  
other brands. You use only a  
rounded or heaping teaspoonful  
where many others call for two  
teaspoonfuls or more.

But Baking Powder is not  
all you'll save when using  
Calumet. You save baking ma-  
terials. Calumet saves tails. The last  
level teaspoonful is as powerful  
as the first. Calumet is perfectly  
manufactured—correctly—  
and is moderate in price.

You save when you buy it.

You save when you use it.

One trial will satisfy you of these  
facts—and demonstrate to you doubt  
that "Calumet spells economy."

Your grocer sells it on a guaran-  
tee of money back if you are not pleased  
with results.

Calumet contains only such ingre-  
dients as have been approved eternally by  
the U. S. Food Authorities.

HIGHEST QUALITY AWARDS

### OBSERVE THIS

A pound can of Calumet contains full 16 oz. Some  
baking powders come in 12 oz. cans instead of 16 oz.  
cans. Be sure you get a pound when you want it.

## DO NOT DELAY REINSTATING W. R. INSURANCE

The attention of all ex-service  
men and women is again called to  
the fact that the last date for rein-  
statement of War Risk Insurance is  
almost here, and if they have not al-  
ready taken the necessary steps to  
take it up again they should do so  
soon as possible.

A letter has been received from  
Sharon R. Mose, acting sub district  
manager of the United States Vete-  
rans Bureau, with headquarters at  
Reno, asking that the attention of all  
ex-service men and women be called  
to this important feature.

At the present moment the matter  
of reinstatement of government life  
insurance is of particular importance  
because the short time left in which  
it also be reinstated under the pre-  
sent liberal terms. Any time before  
January 1, 1922, reinstatement may  
be had on the payment of only two  
months' premiums and accomplishing  
the proper forms of application, in-  
cluding also full medical certificate  
made by the recent Service Bill, dis-  
abled men whose disability is due to  
war may reinstate their insur-  
ance without paying the regular  
physical examination by payment of  
\$1 back premium with interest at  
5 per cent compounded annually.

Attention is also called to the fact  
that the district office at Reno is  
now much better equipped to take  
care of the cases of men entitled to  
compensation, medical care, or vo-  
cational training. Temporary quar-  
ters have been established for the  
twenty persons now employed in the  
Reno office at the Y. M. C. A. there,  
and the director will be pleased to  
hear from anyone interested.

## SERVED ALL FROM GRANT TO HARDING

(By Associated Press)  
VALLEJO, Calif., Dec. 13.—(By As-  
sociated Press) Papers were issued here to-  
day to Campbell Whitthorne, who  
it is said, has served the United  
States government under every ad-  
ministration from President Grant  
to President Harding.

Whitthorne's first appointment to  
government service was made on  
April 4, 1874, when he was appointed  
copy collector of Internal Revenue  
at St. Louis, Missouri. At that time  
President Grant was in office. In  
1878 he was transferred to the  
house board as a clerk and later  
served as a clerk to his father, who  
was chairman of the House Naval  
committee. Resigning that post,  
Whitthorne was clerk of the Nevada  
Indian agency for a time and then,  
in 1888, came to the State Island  
navy yard here, where he was writer  
in the labor board and later clerk in  
the hull department office. One or  
two years were spent out of service,  
but during the Wilson administration  
he was appointed assistant engineer  
at San Francisco.

## LIBRARY FINES BRING BIG SUM

(By Associated Press)  
CHICAGO, Dec. 13.—Fines on over-  
due library books paid to the Chi-  
cago public library run \$40,000 a year,  
reports Librarian Carl B. Roden.  
This money goes, by Illinois law,  
into a pension fund for Chicago Li-  
brary employees, recorded here as  
the only one of its kind in the coun-  
try. The fund is reported to total  
today upwards of \$200,000.
